Public's Assistance Needed in Finding Hit & Run Suspect

On August 14, 2013, at about 1:10 p.m., a motorist travelling northbound in the 2000 block of Julius Schepps Freeway (Interstate 45) struck and killed a man who was walking in the shoulder. The motorist failed to stop and render aid to the pedestrian, B/M/60. A Dallas Sheriff who was working an unrelated incident caught the suspect vehicle on his dashboard camera.

The vehicle is a late model gold Ford Taurus 4 door sedan. The vehicle can be seen at the 13:44:19 mark of the video (as seen on the video display). This car has damage to the right passenger side, a missing right front hubcap and a broken right side mirror. This incident is documented on service number 208193-A.

Anyone with information on the driver and the location of this vehicle, please contact the Dallas Police Department's Vehicle Crimes Unit at (214) 670-5817. You may also call Crime Stoppers at (214) 373-TIPS (8477). Crime Stoppers will pay up to \$5000 for information which leads to the arrest and indictment for this felony offense or any other felony offense.
