December 9, 2013

On Thursday, December 12, 2013, from 1:00 pm to 2:00 pm, Medrano Elementary 4th graders will be awarded a class celebration from Verizon Wireless for collecting the most used phones for Hope Line. Hope Line, a national program at Verizon, will recycle or donate the collected phones to domestic violence agencies. The students at Medrano competed against 12 other Dallas ISD elementary schools.

The competition was a part of the Blue in the School program, which is supported by the Dallas Police Department, Verizon Wireless, DISD and CONTACT, a local crisis support organization. It's a four week curriculum that provides life skills to 4th grade students to help them navigate through life's difficult choices and become the leaders of tomorrow. The class celebration will take place at Medrano Elementary, located at 2221 Lucas Drive. Former Deputy Mayor Pro Tem Pauline Medrano will be present at this event.

For more information, please contact Dallas Police **Lt. Sally Lannom 214-671-4993**.
