TYRONE-FARNSWORTH NEIGHBORHOOD PRE-NATIONAL NIGHT OUT

The Dallas Police Department's Office of Community Affairs will host the 13th Annual Tyrone-Farnsworth Pre-National Night Out Celebration on **Monday, September 30, 2013**. This event will be held at Wat Sirimoungkhoun of Dallas – 4109 S. Ledbetter from **5:30pm to 8:30pm**.

Tyrone-Farnsworth Pre-National Night Out was first organized in this Oak Cliff area neighborhood over 10 years ago to support the creation and presence of the local Neighborhood Associations and Crime Watch groups. The goal for this event is to build neighborhood unity, increase community engagement, strengthen police-community partnerships, and provide crime prevention and safety education information.

“Pre-National Night Out has become a great tradition for the Dallas Police Department and the Tyrone-Farnsworth neighborhoods,” said Shawn Williams, Manager of the Office of Community Affairs. “We look forward to building on the relationships that have been established over the years,” Williams said.

All residents are encouraged to attend and interact with the Dallas Police Department and other City of Dallas services. There will be games, music and multicultural entertainment.
