Arrest of Michael Chandler for Indecency with Child/Exposure

On March 20, 2014, Dallas Police officers were dispatched to the 700 block of Sunset Avenue regarding an adult male exposing himself at the location. Upon arrival, officers observed a man later identified as Michael Glenn Chandler, B/m/05-11-59, a short distance away from the offense location. Based on interviews at the scene, responding officers were able to determine Chandler approached a mother and her child, a 3 year old girl, as they were exiting the laundromat. When Chandler approached the child and her mother, he intentionally exposed and fondled himself knowing the child was present.

Chandler was arrested and taken to police headquarters where he was interviewed by Child Exploitation Detectives. Based on the information developed at the scene from the responding officers, witness statements, and evidence developed during the interview of Chandler, he was placed under arrest and will be filed on for Indecency with a Child/Exposure, F/3.

Chandler has a previous conviction for Indecent Exposure where he pled guilty and received 90 days. He also has a prior conviction for Theft where he received 210 days in jail.
