### **Help Identify Robbery Suspects**

On May 4, 2104, at approximately 4:00 am, the victim was stopped in her vehicle at a stop sign on Preston Road when a white 4 door Mazda and a black 4 door truck or SUV pulled up alongside her. A Latin male suspect exited the passenger door and jumped into the passenger side of the victim's vehicle. The suspect threatened the victim and demanded money. The suspect forced the victim to go to an ATM at a Chase Bank and then the 7 Eleven store at 5501 S. Buckner Blvd. Security video (shown in the link below) from 7 Eleven shows the victim's vehicle pull into the parking lot from behind the business and park directly in front of the entrance to the store. The video also shows a black SUV with chrome wheels following the victim's vehicle into the parking lot and stopping next to the gas pumps. The SUV appears to have light colored running board between the wheels. The Latin male suspect stays inside the victim's vehicle and continues to threaten and demand that the victim enter the store and withdraw cash. The second suspect, a Black male around 17 years old, 5'7", 140 lbs., short afro, wearing white pants and black shirt, can be seen exiting the black SUV and entering the store. The Black male suspect stands at the counter and is watching the victim. A second Black male suspect, heavy set build wearing a black shirt with white writing across the front, exits the SUV and goes to the victim's car and talks to the Latin male suspect.
